

GENERAL HEADQUARTERS
SUPREME COMMANDER FOR THE ALLIED POWERS
Civil Communications Section
APO 500

28 March 1950

Mr. C. W. Protzman
Civil Communications Section
General Headquarters
Supreme Commander for the Allied Powers

Dear Mr. Protzman:

On the eve of your departure from Tokyo, may I take the opportunity of expressing to you my appreciation for the assistance you have rendered during the period of your assignment to the Civil Communications Section, General Headquarters, Tokyo, Japan.

From the date of your assignment as Wire Equipment Engineering Supervisor on 13 November 1948, and later as Research and Development Engineer (Telephone and Telegraph Manufacturing), you have discharged your duties in an exemplary manner.

Your recent accomplishments in planning, preparing and giving the Management Training courses to the Japanese telecommunications manufacturers have demonstrated your unusual ability to analyze and solve the unique telecommunications problems facing us in Japan. Your achievements in this field may well set the pattern for a truly democratic system of management and may prove the difference between success or failure of the telecommunications manufacturers. Furthermore, your advice and guidance on numerous and varied problems has contributed materially to the accomplishment of Civil Communications Section's mission.

Please accept my best wishes for continued success and happiness.

Sincerely yours,

GEORGE I. BACK
Brigadier General, U.S.A.
Chief, Civil Communications Section
